

PORTABLE SOCCER GOALS

HotShot portable soccer goals have been designed with interlocking parts that are quick to erect and dismantle, giving a fully collapsible goal that can be moved easily for training purposes and foldable for storage. We can custom make goals to your size requirements.

KEY FEATURES

- indoor or outdoor, school or backyard use
- quick net release clips
- pack up and fold away for storage
- sides are fully collapsible so one person can easily position
- steel galvanised tubing takes the knocks, yet light enough to be easily moved

ALL goals supplied with a net

Optional extras:

- white powder coated finish
