

## DUAL HOOP ROTATING BASKETBALL & NETBALL TOWER

Hotshot Basketball Netball rotating tower is the ideal solution for multisports areas. It offers a quick and convenient way to bring either a netball ring or basketball hoop into play.

- Built to withstand the hardest treatment
- Ideal for school, council parks, and residential areas
- Base rotates 180degrees & handle locks in place
- Can be padlocked in place for safety
- Steel perforated backboard to reduce wind resistance and weight
- Galvanised and powder coated pole & backboard
- Optional upgrade to removable hoops if vandalism is an issue
- Comes ready to assemble with instructions
