

GROUND SLEEVES

Ideal for installing tennis posts, netball poles, rugby and soccer posts.

Key Features

- made from tough, non-rust polyethylene
- recessed for optional flush-fitting or drop in cover
- wide enough to allow easy removal of tennis balls or other objects from inside the sleeve
- easy to install
- to fit 75mm square or round pole

Optional Extras

- stainless steel flush fit sleeve cover - GS Poly 1
- galvanised finish drop in ground sleeve covers. Ideal for when posts are removed. Perfect for safety on multi sport surfaces - GS Poly 2
