

# MINI MOBILE TENNIS

Mini Mobile Tennis systems provide a great addition to multi sport court areas making changing codes and adapting court set ups quick and easy.

Mini Mobile maximises existing court use by laying out games sideways along the court, allowing four games to be played simultaneously.

## FEATURES

- ideal for juniors 5m long x 600mm high
- light and easy to maneuver – one person can easily position
- non-marking rubber wheels with brakes
- always ready for play - just move into position
- steel construction powder coated finish
- permanent wire mesh net – never needs replacing
- easily disassembled for storage if needed
- comes in kit-set form with full assembly instructions

## OPTIONAL EXTRAS

- security locks with flush fit lids to lock securely and reduce vandalism. Code ANI TP80

Product Code: TP MOB M
