

NETBALL MOBILE

NB-MOB D Mobile Deluxe

A mobile netball system is a great solution for multi-sport areas as they can be easily moved, reducing set up time. Comes standard with NB-AD adjustable ring but can be custom fitted with any HotShot ring.

MOBILE NETBALL FEATURES

- light and easy to manoeuvre - one person can easily position
- very stable, the unit is almost impossible to tip over due to the unique design and water tank weight system
- super-tough polyethylene water tanks
- holds 20 litres of water spread evenly across 3 tanks when in use
- when lifting, the water transfers to the tank over the wheels ensuring easy maneuverability
- removable lifting handle means nothing encroaches the playing court
- easily accessible plug for easy filling and emptying
- non-marking rubber wheels
- easily disassembled for storage
- ideal for home use or school multi-sport courts
- powder coated steel frame

OPTIONAL EXTRA

- hot dip galvanised - recommended for outdoor use
