

New Heavy Duty Professional Table Tennis Table

Competition size with a 18mm playing surface
2 year warranty

This heavy-duty professional table tennis table has been designed to very high standards with quality materials. The Quick and safe folding system design means it stores away easily when not in use. It also comes with playback facility for solo practice.

Features:

- Competition size
- Long lasting 18mm table top
- Full size W1525 x L2740 x H760
- Separate halves are easy to move - each half has 4 x 75mm lockable wheels
- Built Tuff - Net weight 85kgs
- Legs are made from 30 x 30mm steel
- Table frame made from 20 x 30mm steel so that it won't distort
- Lock Guard System' uses safety bolts on both halves when folded up so they can't fall down
- Store Ease' only needs a small W1530mm x D400mm x H1400mm storage area
