

# VOLLEYBALL / BADMINTON COMBO

HotShot VB 87 Volleyball system can be used as a multi system for volleyball, badminton and tennis. Designed with our own aluminium extrusion that is strong but light weight. Our clamping collar system allows the nets to be easily & safely adjusted to any height.

## Key Features

- suitable for single court systems or can be customised to cater for multiple courts
- self supporting posts - no cables required to side walls or floor
- easy to adjust net heights to change codes quickly and with minimal effort
- robust winch system with web strapping reduces wire cable problems
